REVITALISATION PLAN

# A New Beginning for Great Keppel Island

## A NEW BEGINNING FOR QUEENSLAND TOURISM

The GKI Revitalisation Plan Environmental Impact Statement (EIS) has now been submitted to the Queensland State and Federal Governments' for assessment.

The GKI Revitalisation Plan will deliver Australia's most exciting new tourism resort on the doorstep of Central Queensland and is now one step closer to becoming a reality.

The GKI Revitalisation Plan will only go ahead if we can demonstrate that there is strong support for the project, so make sure your support is heard loud and clear!
